OFFICIAL PROCLAMATION

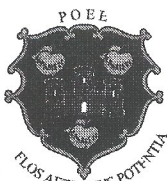

Whereas, the venerable Commonwealth of Pennsylvania requires sagacious stewardship, serendipitous illumination, and a modicum of humor to navigate the vicissitudes of consensus reality; the denizens of Pennsylvania—terrestrial and celestial—yearn for a sovereign epitomizing the quintessence of Eris, the benevolence of Mars, the serenity of the Moon, and the resplendence of Venus; and the consecration of our electronic domains signifies an exalted mandate and cosmic synchrony,

We, The More-Wrong Reverend, Doktor Rhizic T. Natterjacks, KSC, KHS; Primate of the POEE (Pittsburgh Temple); Defender of Mars, Moon, and Venus, having judiciously secured the sacrosanct electronic dominions EmperorOfPennsylvania@Gmail.com & EmperorOfPennsylvania@Yahoo.com, do hereby proclaim and promulgate to solemnly and exultantly assume the title and duties of **Emperor of Pennsylvania**.

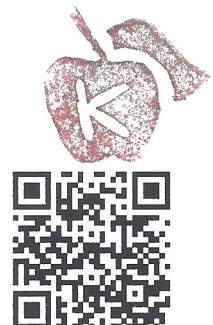

By this Proclamation, we enunciate our allegiance: to champion liberty, parity, and ingenuity; to engender a milieu wherein Science, Art, Philosophy, and Weirdness flourish; to venerate and disseminate the doctrines of the POEE; and to safeguard the Celestial Trinity, ensuring harmonious cohabitation with our terrestrial domain.

On this day, we beckon all who heed this decree to partake in the celebration of a nascent epoch distinguished by mirth, enlightenment, and infinite potentialities.

Given under our hand and seal this the 33rd day of Confusion in the year of Our Lady 3190, In Chaos and Harmony,

Prickle-Prickle, Confusion 33, 3190 YOLD
