

This is my hand
I use it to touch
THINGS

This is for the players
Giant Apes, Prancing
Draculas, Voracious
Readers in Go-Go Boots,
The Golden Apples of the
Sun have put us in debt
for LIFE! **FUCK ART**
LET'S FANCETHE

This is a spaceship!
It will come & turn all
your fish sticks into
chicken nuggets, or
only half of them if
you prefer surf & turf.
The words to summon
them are ten miles
long, and this is a
short book!

All Buddhas practice
sitting. We sit by trees,
we sit on our knees, we
sit in a chair, we sit
Midair, we even sit ^{sometimes}
crossed up, but
when we're interrupted,
mostly we're surrounded
spirits & Devils surround
us on every side from
every dimension.
CHAOS IS
ALL AROUND
US!

This is the
HAND OF ERIS
or was it Hecate?
THE MOON! This is
definitely the phases
of the moon. So, Diana
I guess? Diana Moon?
What is HER name?
What she even have a
does she name? What
full name? What
comes after "The"?

FNORD

More. Wrong

Rhizic
Natterjacks
An advanced
-th-fifteenth
dimensional fungi. This
quarter of british chaos,
savage of the pentagonal,
Domestic next to the
Buddha's box, o' rocks,
Buddha's count down
from
FIVE!
TO ALIVE!

This is the 8-spoked
wheel of Buddhism,
or a birthday cake, or
the circuit model, or
Kurt Vonnegut's bottle
Any way you look at it,
I made it by crossing
5 lines and drawing
a circle around it.
THE LAW OF
FIVES IS
NEVER WRONG
