This is a spaceship!
It will come & turn all
your fish sticks into
chicken nuggets or
only half of them if
you prefer surf & turf.

All Buddhas practice
sitting. We sit by trees,
we sit on our knees, we
sit on a chair, we sit in
midair, we even sit cross-
midair, we even sit cross-
cross apple sauce. Sometimes
when we're interrupted.
mostly we're Devils surround
spirits & Devils side from
us on every dimension.
every dimension.
CH AROUND
US!

This is the
H AND OF ERIS
or was it Hecate?
THE MOON! This is
definitely the phases
of the moon. So, Diana
I guess? Diana Moon?
What is HER name?
What she ever have a
full name? What
comes after "The"?

Any way you look at it,
I made it by crossing
5 lines and drawing
a circle around it.
